

## JUMPSEAT PROTOCOL

It's that time again—peak is fast and furious and we're doing what it takes to deliver the Purple Promise. Along with us being busy, so are the passenger carriers that we travel on for jumpseating. Unfortunately, there have been a few incidents lately that have put our reciprocal jumpseat agreements at risk.

If you're on a company paid deadhead and an agent or flight attendant asks you if you could take the jumpseat in order to board another passenger, please be professional and respond that you're on a full fare ticket and it would violate our agreement with the airline.

I know we're all doing the best we can and are extremely busy, so this is a friendly reminder. Please use your Jumpseat Committee page on [fdx.alpa.org](http://fdx.alpa.org) to find more information on Jumpseating and don't hesitate to contact us if you have any questions.

We wish each of you a safe and happy holiday season!
