The Pilots of FedEx

June 15, 2017

LEC 123 Vice Chairman Nomination and Election

Captain Roger Chapa is returning to Memphis in the next couple of months, leaving the EMEA. Jeff Harder and myself would like to thank Captain Chapa for his dedication to the base and the work he has put in for the security of our pilots, spouses, and families.

Nominations for the position will be held at the LEC 123 meeting on June 24.

1. Who is eligible to run for the vice chair position?
Any active ALPA member of LEC 123 in good standing who is willing to serve. If you are willing to serve, send me a quick e-mail at Erin.McCoy@alpa.org before the close of the nomination meeting.
2. Who is eligible to vote for the nominations?
Any active ALPA member of LEC 123 in good standing.
3. I will be unable to attend; can I submit a proxy for nominations?
No, but you can mail your completed ballots ASAP, or hand it to me.
4. Ballots were mailed out June 8, but if you haven't received yours, duplicate nomination ballots will be available at the meeting.
5. Nominations will be tallied during the meeting, and a nomination certificate will be completed.
6. When will the electronic election ballot open after the LEC meeting?
We anticipate a mid-July open date for elections.
7. How can I vote in the mid-July electronic election ballot?
When the ballot opens, active members in good standing will receive an e-mail with specific directions. A "Ballot Open" link will appear on the left side under "My Alerts" on the ALPA members-only website.
8. When will the LEC 123 be informed of the final results?
We anticipate an August 10 close date, with results distributed shortly thereafter.

Should you have any further questions, please contact me at Erin.McCoy@alpa.org.
