Re: Section 5.B.4.b.ii. notice concerning the Monarch Plaza Hotel Taoyuan

Dear Captain DiMento:

I am writing pursuant to 5.B.4.b.ii. of the Collective Bargaining Agreement. As required by the Agreement, the FDX MEC's Trip Services Committee brought concerns (e.g. quality and availability of food) over the Monarch Plaza Hotel Taoyuan to the Company's attention. As you are aware, appropriate dining is a required feature which the parties specifically noted in the Collective Bargaining Agreement.

Attached hereto are photographs of food provided at the Monarch Plaza Hotel Taoyuan. By way of example, I note that the dark grey liquid depicted in one of the photographs is believed to be "pork bone soup". The hotel has represented this to be a "western meal".

The Association submits that the Monarch Plaza Hotel Taoyuan is unsatisfactory in consideration of the Company's obligation to provide lodging per Section 5.B. of the CBA. The Company has failed to take timely and appropriate action in light of the information provided by the FDX MEC Trip Services Committee. While I look forward to meeting on this subject as required by Section 5.B.4.b.ii., it is imperative that the Company take corrective action as soon as possible.

Regards,
