

FDX ALPA Strategic Goals

In developing the Strategic Vision Plan, the MEC first identified likely environmental changes and assessed existing concerns. The MEC will continue to perform an annual analysis for the process of identifying and assessing FDX ALPA goals. The following is a list of goals identified by the MEC.

- Promote a Safe, Secure Culture in which FDX Pilots Embrace a Climate of "Schedule with Safety"
- Protect and Improve FDX Pilot Careers
- Effectively Engage the Membership
- Position the Union to Optimize Every Negotiating Opportunity
- Enforce the Contract and Educate FDX Pilots on Contractual Rights
- Operate with Transparency and Integrity
- Manage Resources to Shape and Influence Our Operating Environment While Preserving the Long-term Viability of FDX ALPA
- Update Strategic Vision Plan as Necessary to Adapt to a Dynamic Operating Environment
